UCLM CTE Celebrates Four Topnotchers

EDITOR'S NOTE

It brings me great pleasure to present this year's magazine from the TEC Forum, the official publication of the College of Teacher Education, under the theme "CTE Reboots" for the S.Y. 2022-2023. Throughout the pages of this publication, we aim to highlight the resiliency and comeback of our department in the face of the pandemic, showcasing the numerous productive activities and achievements that have taken place.

As the TEC Forum team, we are deeply grateful for the opportunity to be the voice of the College of Teacher Education and provide you with insightful coverage of events and activities within our academic community. Our mission is to keep you informed and engaged with the remarkable happenings in our department.

The journey to create this magazine has been marked by passion and unwavering dedication from our team members, who have worked tirelessly to bring you this publication. We take great pride in representing the CTE department and maintaining the highest standards of excellence in journalism.

As we look forward to the future, we are excited about the next team of publishers who will continue the legacy of the TEC Forum. We have no doubt that their dedication and creativity will lead to new milestones and accomplishments, and we wish them the very best in their endeavors.

To our loyal Ka-SOFEAs, our readers, we extend our heartfelt appreciation for your continued support and encouragement. Your feedback motivates us to deliver our best work and continually improve.

Furthermore, we express our gratitude to the esteemed Chairperson of the College of Teacher Education, Ms. Elna B. Sanornido, for her unwavering support and encouragement, which have been instrumental in shaping the content and focus of our publication.

A special acknowledgment also goes to our TEC Forum Adviser, Sir Cristiandion Ybanez, whose guidance and mentorship have been invaluable to our team's growth and success. Your wisdom and dedication have played a significant role in making the TEC Forum what it is today.

As you delve into the pages of this magazine, we hope you find inspiration in the articles and contributions shared by our academic community. We remain committed to continuous improvement, and your feedback and additional content are warmly welcomed.

Thank you for being part of this journey with us. We hope you enjoy reading "CTE Reboots" and witness the resilience that defines the College of Teacher Education.

GENERAL ASSEMBLY

OATH TAKING CEREMONY 2022

by Lyza Perater and Kay Medado

On September 29, 2022, the General Assembly and Oath-taking ceremony took place at the Basic Education Auditorium from 5:00–8:00 p.m. The event was attended by BSED students majoring in English, Math, Filipino, and Social Studies. The ceremony began with a warm welcome from SOFEA President Ms. Danneza Ramos, followed by a Mentimeter guess-it game. SOFEA and sub-organization officers then took their oath, led by CTE Chairperson Ma'am Elna B. Sabornido, committing to fulfill their duties and responsibilities for the betterment of the CTE department. The registration of different learning circles and the presentation of the academic year's calendar of activities were also conducted. Faculty members entertained the audience with a song and dance performance, creating an energetic atmosphere. The highlight of the event was the "pass the message" activity, where students wrote inspirational messages on bookmarks and shared them. The night concluded with everyone dancing to "I am SOFEA and Tatak SOFEA" led by the students' intern, and closing remarks were delivered by Mr. Christian Dacumos, leaving participants with a memorable and enriching experience.

KAMUSTAHAN 2023

by Valery Trofeo

The College of Teacher Education at the University of Cebu-Lapulapu and Mandaue Campus recently held its long-awaited general assembly after a two-year hiatus caused by the COVID-19 pandemic. Various programs within the college participated, including BSED-English, BSED-Math, BSED-Filipino, BSED-Social Studies, and BEED. The assembly began with the lively SOFEA Dance and Yell Competition, which showcased the creativity and school spirit of each program. BSED-Math secured third place, BSED-English came in second, and BEED emerged as the champion. The announcement of the winners was met with enthusiastic applause and cheers, demonstrating the camaraderie and support among the programs. Following the competition, Kumustahan breakaway sessions were conducted to discuss achievements, future plans, and challenges, fostering collaboration and a sense of community among the members. The assembly successfully promoted a collaborative and inclusive learning environment, bringing students, faculty, and university officials together.

INTRAMURALS 2022

A Spectacular Comeback from Virtual to Face-to-Face Celebration

by: Cyra Karel Acasio

The University of Cebu Lapulapu and Mandaue (UCLM) recently hosted its highly anticipated Intramurals 2022, marking a triumphant return from a virtual event to an exhilarating face-to-face celebration. The three-day extravaganza, held from December 19 to December 21, 2022, brought together students, faculty, and staff in a festive atmosphere filled with vibrant performances and thrilling competitions. The Intramurals kicked off with a colorful Parade, showcasing the participation of different college departments within the university. Students proudly marched through the campus, radiating a sense of camaraderie and school spirit.

Following the Parade, the Opening Program commenced, setting the stage for the exciting days ahead. The program featured captivating performances from various college departments, each presenting their unique talents. The highlight of the Opening Program was a mesmerizing confetti shower, symbolizing the unity and energy of the UCLM community. Immediately after the program, the much-awaited Mr. and Ms. Intrams pageant took place, where exceptional students vied for the coveted titles. Participants showcased their charm, wit, and talent, captivating the audience with their remarkable performances.

Day 2 of the Intramurals was packed with exhilarating competitions that displayed the diverse skills and talents of the UCLM students. Modern Hip-hop, Contemporary Dance, Dance Palabas, Dance Sports, Songwriting/Band Competitions, Battle of the Bands, and Adventure Race were among the captivating events that took place. The participants showcased their creativity, athleticism, and musical prowess, making it a day filled with memorable performances.

On the final day, the Intramurals reached their peak with a series of captivating competitions. Group Acapella, Vocal Solo, Duet, 3-point Shooting, and Dribbling Challenge showcased the musical and athletic talents of the participants. However, the highlight of the last day was the much-anticipated Solidarity Night, where students came together to enjoy and celebrate. It was an evening filled with music, dancing, and joyous revelry, as students let loose and created lasting memories.

The UCLM Intramurals 2022 proved to be a remarkable event, serving as a testament to the resilience and spirit of the university community. After the challenges posed by the pandemic, this vibrant celebration brought students back together, fostering a sense of belonging and camaraderie. It was a momentous occasion that showcased the talents, skills, and unity of the UCLM family, leaving a lasting impression on all who attended.

CTE Bags 1st Runner-Up in Overall Category and Academic/Mind Games Event

The University of Cebu Lapulapu and Mandaue (UCLM) is celebrating a remarkable achievement as their College of Teacher Education (CTE) department secured the 1st runner-up position in the overall category and the academic/mind games event during the recently concluded Intramurals 2022. Held from December 19 to 21, 2022, this spirited event showcased the skills and talents of various college departments.

UCLM's CTE department demonstrated outstanding performance, earning the coveted silver medal in both categories. This impressive feat is a testament to the hard work, dedication, and exceptional capabilities of the students and faculty involved.

The overall category encompassed a wide range of sports and academic competitions, where UCLM's CTE department excelled in every aspect. Their stellar teamwork, strategic thinking, and competitive spirit were on full display, leaving a lasting impression on both participants and spectators.

In the academic and mind games event, UCLM's CTE department showcased their intellectual prowess, engaging in various mind-challenging activities. Through their comprehensive knowledge, critical thinking abilities, and quick reflexes, they were able to secure the 1st runner-up spot, solidifying their reputation as a formidable force in academic competitions.

The UCLM community eagerly awaits the next opportunity to showcase their talents and continue their tradition of excellence in various intercollegiate competitions.

LOOC READS Program Launched: Igniting the Joy of Reading for Young Minds

by: Cyra Karel Acasio

October 21, 2022, Looc Barangay, Cebu - A transformative initiative called Looc READS has been launched with the aim of inspiring struggling readers at Cesar M. Cabahug Elementary School. Spearheaded by the dynamic duo of Looc Barangay Captain Allan C. Siazon and Councilor Raul "Skipper" F. Cabahug IV, alongside the collaborative efforts of CMCES Principal Rosa Rossini E. Comedia, UCLM's College of Teacher Education (CTE) Dean Elna B. Sabornido, and community extension coordinators Vernel A. Garma and Gendolf L. Niepes, this program seeks to empower young minds through the magic of literacy.

With an unwavering dedication to education and community welfare, Looc READS has set the stage for a future brimming with laughter, imagination, and the boundless possibilities that reading can offer to these joyful learners. One of the key driving forces behind Looc READS is Looc Barangay Captain Allan C. Siazon. With a strong passion for education and community development, Captain Siazon has mobilized resources and support for this ambitious initiative. His unwavering commitment to empowering the youth and providing them with opportunities for growth has garnered widespread praise and appreciation.

Councilor Raul "Skipper" F. Cabahug IV, the chairman for education, has been a driving force behind the program as well. His visionary leadership and dedication to educational initiatives have been vital in shaping the Looc READS program. Councilor Cabahug IV recognizes the transformative power of reading and its impact on young learners' lives.

Photo (c): The Freeman

Principal Rosa Rossini E. Comedia of CMCES has been an invaluable partner in this endeavor. With her deep understanding of the school's needs and commitment to educational excellence, Principal Comedia has provided crucial guidance and support to ensure the program's success. Under her leadership, CMCES has become a beacon of hope for struggling readers.

The University of Cebu Lapu-Lapu and Mandaue's College of Teacher Education (CTE) Dean Elna B. Sabornido has played a pivotal role in Looc READS. By involving student volunteers from the CTE, Dean Sabornido has fostered a spirit of service and learning within the university community. These enthusiastic volunteers serve as mentors, offering their time and expertise to guide and inspire young readers.

The Looc READS program is also fortunate to have the dedicated support of community extension coordinators Vernel A. Garma and Gendolf L. Niepes. Through their tireless efforts, they ensure the smooth implementation of the program and facilitate strong collaboration between all stakeholders involved.

The CTE student volunteers, with their boundless enthusiasm and passion for education, form the backbone of the Looc READS program. Their commitment to making a positive difference in the lives of these young learners is truly inspiring. By serving as role models and mentors, these volunteers are empowering struggling readers to unlock the transformative power of literacy.

Looc READS is not merely a reading program but a catalyst for change. By nurturing a love for reading and learning, this initiative aims to equip these young minds with the necessary tools to overcome obstacles and reach their full potential.

CTE CARES VOLUNTEERS HELD A DONATION DRIVE

by: June Marie Basilgo

CTE volunteers including the students and teachers organized a donation drive to aid families affected by the fire incident on November 22, 2022, at the residents of Sitio Paradise, Barangay Looc, Mandaue City, which left many families homeless.

The donation drive was aimed to provide assistance to the affected families by giving them their immediate basic needs. In-kind donations from the students were dropped off just outside the Chairperson's office. The volunteers distributed the donations, ensuring that clothes and essential supplies reached the fire victims promptly.

The turnover of the donation was spearheaded by the Chairperson of the College of Teacher Education, Ma'am Elna B. Sabornido together with the CTE Community Extension Coordinator, Mr. Gendolf Niepes, and Mr. Vernel Garma.

Thanks to the unwavering support of the volunteers, numerous affected families, including those who were part of the Looc READS program, as well as two fire victims from the College of Teacher Education, received valuable assistance.

In their own little way, the volunteers wanted to help the community recover from the disaster. The distribution of goods and basic necessities would help the fire victims in their daily life as they try to rebuild their homes.

This heartwarming initiative by the CTE volunteers underscores their unwavering commitment to serving the community. Through CTE CARES, they will continue their vital work, ensuring that the community receives the support it needs in times of crisis.

CTE CARES JOINS PROJECT ON-CALL BRIGADA PAGBASA LAUNCHING: MOA SIGNING

by: Valery Trofeo

CTE CARES was invited to witness the MOA Signing and launching of the Project On-Call Brigada Pagbasa held at Mandaue City Comprehensive National High School last December 2, 2022.

The said launch aimed to help students with reading difficulties and poor comprehension. In collaboration with the different stakeholders from the different barangays in Mandaue; Alang-Alang, Cambaro, Centro, Ibabao Estancia, Looc, and Mantuyong together with the CTE CARES officers and volunteers from the University of Cebu Lapu-Lapu and Mandaue.

The principal, the PTA president, and the stakeholders had their MOA signing for the said project. Each stakeholder including the 4th year representative from UCLM gives an inspirational message to the students in the said school.

Aside from the launching, the teachers and selected students from the said school had their oath-taking ceremony after the MOA signing.

The launching ends by giving souvenirs such as bracelets and keychains to every guest who attended the said event.

BRINGING JOY TO THE LOOC COMMUNITY AS THE GIFT-GIVING TRADITION CONTINUES IN CTE CARES

Photo (c): The CTE SOFEA

by: June Marie Basilgo

CTE CARES prepared bundles of joy for the Looc community and wrapped simple gifts for the Looc READS tutees last Dec 21, 2022, at the Looc Gym. With the theme, "CTE is one with the community", CTE CARES together with the SOFEA family brings joy to 351 families in this season of giving.

A total of 351 wrapped presents were given to the Looc READS tutees and 351 families received specially curated pails filled with essential utensils, including pitchers, plates, bowls, cups, spoons, and forks. The tutees were overjoyed as they received their wrapped gifts from their dedicated tutors, while the CTE faculty led the distribution of pails to the families.

Present at the gift-giving event were Ms. Elna B. Sabornido, chairperson of the CTE, Mr. Vernel Garma and Mr. Gendolf Niepes, the community extension coordinator, joined by the rest of the CTE faculty. Aside from gift-giving, the volunteers added a touch of warmth to the occasion by performing heartwarming caroling songs for the community.

As the holiday season of giving drew to a close, the gift-giving event left a lasting impact on the less privileged individuals in the Looc community, spreading joy and fostering a sense of togetherness. CTE CARES, driven by its commitment to serving the community, continues to uplift the lives of those in need, ensuring that the spirit of giving thrives throughout the year.

Math Month Opening Sparks Enthusiasm and Creativity Among Students

By: Emely Daño

Mathematics, often referred to as the language of the universe, is the foundation upon which our modern world is built. The Math Month Opening commenced last February 11, 2023, with the theme "CTE REBOOTS: Mathematics for Everyone: Strengthening the Participation and the Interest of Learners" at the Basic Education Function Hall, where the College of Teacher Education students celebrated the event by making mathematics accessible, interactive, and fun for all.

Christian Jhey Gualin started the event with his uplifting opening remarks. The celebration of the Math Month Opening kicks off with two engaging activities. The first activity they had was the Mathematician Lookalike, where students dressed up as famous mathematicians back in the days up to the present day – Job Biatingo dressed as Rene Descartes, Rhieanne Encluna as Amalie Emmy Noerthe, Haniya Patalinghug as Hypatia of Alexandria, Arnie Dianne Lape as Gotried Wilhelm Liebnez, Kent Daryl Cordova as Alan Turing, Angeline Pasatiempo as Ada Lovelace, Hannah Mae Agustin as Sophie Germain of France and Gamaiel Gacasan as Jacob Bronowski.

Photos (c): The CTE SOFEA

The second activity was the MATH Hugot, where students will put some mathematical terms into context while pulling something deep within their emotions and expressing them through witticisms.

Let us embark on a shared journey of exploration and enlightenment, where the wonders of mathematics unfold before our eyes. Let's embrace the world of numbers, shapes, and patterns and witness how mathematics shapes our past, present, and future.

SOCIAL STUDIES MONTH CULMINATION 2023: A CELEBRATION OF PHILIPPINE CULTURE, CREATIVITY, AND CRITICAL THINKING

By: KJ Macalolooy

Basic Auditorium, April 28, 2023 – The Social Studies Month 2023 culmination was a massive success as students and teachers from different programs of the College of Teacher Education gathered for a day of fun and educational activities.

One of the highlights of the event was the "Dress the Place Competition," where participants showcased their hand-made costumes made of recycled and authentic materials. The creativity and resourcefulness of the students were evident in the designs they came up with, which left the judges impressed. The costumes showcased the rich culture and heritage of the Philippines, making it a true celebration of our national identity.

The Pinoy Henyo segment, which was a popular game show in the Philippines, added even more fun and excitement to the event. The participants had to guess the word or phrase that was displayed on their foreheads, and the audience cheered them on as they tried to figure it out.

Another highlight of the event was the EduCatalyst Video Competition, which focused on the top 10 global issues and what schools can do about them. This competition was aligned with UNESCO's Sustainable Development Goals (SDG) and aimed to promote awareness among students about the most pressing issues affecting the world today.

The videos produced by the students showcased their research skills, creativity, and critical thinking. The judges were impressed with the quality of the entries and how well the students were able to communicate complex issues in a simple and engaging way.

The Social Studies Month 2023 culmination was a great success, and it would not have been possible without the hard work and dedication of the organizers, teachers, and students.

UCLM College Days: A RESOUNDING SUCCESS FILLED WITH CAPTIVATING DISPLAYS OF TALENT

By: June Marie G. Basilgo

The University of Cebu Lapu-Lapu and Mandaue (UCLM) succeeded in organizing a remarkable two-day University Days event on May 5 and 6, 2023.

Every corner of the campus radiated with captivating designs and artistic displays. Each booth showcased its unique identity by creatively transforming its assigned areas. The event was brought to life with exciting and immersive themes that enticed students to participate actively and explore the products and services on offer.

A major highlight of the event was the Variety Show hosted by the College of Teacher Education Department, attracting attendees from various UCLM departments. The show emphasized the theme of "Strengthening connection as we refresh, reload, and recalibrate together." Distinguished guests, including faculty, alumni, and the Chairperson of the College of Teacher Education, Ma'am Elna B. Sabornido, were present. The event commenced with a high-energy grand opening salvo, featuring performers dancing to the song "The Greatest Showman."

Photos (c): The CTE SOFEA

Notably, the Variety Show showcased not only the talents of current students but also invited alumni to perform, emphasizing the strong camaraderie and deep connection established between the department and its students. The show concluded with a meaningful takeaway song titled "I'm Never Giving Up," reminding everyone to persevere despite challenges. Attendees then enthusiastically seized the opportunity for a photo op, capturing unforgettable moments with beaming smiles.

The event left a lasting impression, with attendees departing with a sense of recalibration. The resounding success of University Days brought immense pride to UCLM as an institution, underscoring the collaborative efforts of faculty, staff, and students in creating an enjoyable and worthwhile experience for all.

NEW-SOFEA OFFICERS ELECTED: A Fresh Era of Leadership

By: Emely Daño

Last May 26, 2023, the SOFEA Election was conducted at the Basic Education Building, 8th floor. The election began from 7 AM until 5:30 PM, wherein all CTE students participated in the democratic process by voting for candidates they believe will uphold the values and steer SOFEA towards a brighter tomorrow. Two party lists participated in the election, the ALAB Party list headed by BJ Marie Pagula, and SALIG Party list headed by Apple Millor. Each party lists worked hard in their campaigns from the start until the end.

The SOFEA officers, advisers, and the different Sub-Organization officers and advisers performed thorough canvassing of votes at the EdTech Laboratory to count the ballots cast. After accumulating the data, ALAB Party list scored a landslide victory where BJ Marie Pagula won as President, Kenneth Carl Vasquez as Vice President, Jamaica Tabotabo as Secretary, Ruben Cababat as Treasurer, Lester Hatamosa as Auditor, Ar-Elheard Casiple as 2nd Year Representative, John Clyde Lubanga as 3rd Year Representative, and Emily Robles as 4th Year Representative.

Photos (c): The CTE SOFEA

With the election of these new officers, a wave of fresh perspectives, innovative ideas, and renewed enthusiasm is set to shape the future of their respective domains. Each officer brings their unique expertise, vision, and dedication to the table, signaling a promising start to their terms. As they embark on this new chapter, they carry the hopes and aspirations of those who have entrusted them with the responsibility of leading the organization towards a prosperous and inclusive future.

College of Teacher Education Celebrates Recognition Day: Accolading Excellence in Education

By: June Marie G. Basilgo

Photos (c): The CTE SOFEA

Old Audio Visual Room, June 7, 2023 – The College of Teacher Education gathered to celebrate Recognition Day. With the theme "CTE Reboots: Strengthening Education through Accolading Excellence," the event served as a platform to honor and celebrate the achievements of students and educators across various disciplines.

Recognition Day was a momentous occasion, recognizing the exceptional achievements of students in academics, research, service, culture, and sports aspects. These accolades highlighted the remarkable contributions to education demonstrated by the awardees.

The celebration kicked off with a welcome message from the outgoing SOFEA President, Ms. Danneza Ramos. Distinguished CTE Faculty were present to formally give the awards to the outstanding students. The event not only celebrated the achievements of outstanding students but also acknowledged the invaluable support of educators. Teachers were honored for their unwavering commitment to empowering their students.

This recognition day also marked the introduction of a new set of officers. These individuals, carefully selected for their leadership potential are poised to assume key roles in various organizations. Their appointment symbolizes a new chapter of empowerment. During the event, Ms. BJ Marie Pagula, the incoming SOFEA President, delivered heartfelt closing remarks, expressing her deep appreciation for every awardee who had earned this well-deserved recognition. As the event drew to a close, the attendees were filled with a renewed appreciation and a sense of pride in their collective accomplishments.

The event concluded with all the awardees joining in a joyous dance of the "I AM SOFEA" song. This shared moment of celebration further emphasized the sense of camaraderie within the College of Teacher Education. The event inspired all attendees to strive for greatness and continue making a positive impact in the field of education. This Recognition Day was indeed a testament to the dedication, passion, and unwavering commitment to excellence within the education community.

UCLM CTE Celebrates Four Topnotchers

by: Cyra Karel Acasio

In a remarkable display of academic excellence, the College of Teacher Education at the University of Cebu Lapulapu and Mandaue (UCLM) has proudly produced four outstanding topnotchers in the October 2022 Licensure Examination for Professional Teachers (LEPT).

Two Bachelor of Secondary Education (BSED) majors, Lettie C. Lambojon, LPT, and Jisamie Alvarez, LPT, secured the prestigious 9th spot, both achieving an exceptional score of 92.60%. Ms. Lettie specialized in Filipino, while Ms. Jisamie's expertise shone in the field of Mathematics. Their remarkable achievement highlights their exceptional knowledge and unwavering dedication to their chosen disciplines.

Not to be outdone, the Bachelor of Elementary Education (BEED) program showcased its exceptional talent. Janna Faye P. Llanos, LPT seized the 9th spot with an impressive score of 92.80%, while April Joy B. Gargasigan, LPT secured the 10th spot with an admirable score of 92.60%. These topnotchers have exemplified the utmost commitment and passion for education, setting a sterling example for future educators.

The performance of first-time takers from the BEED program was particularly noteworthy, boasting an outstanding passing rate of 92.86%. Equally commendable, the BSED program achieved a respectable passing rate of 73.63%. These exceptional results speak volumes about the rigorous training and high academic standards upheld by UCLM's College of Teacher Education.

In terms of overall performance, UCLM's College of Teacher Education once again demonstrated its commitment to excellence. The BEED program attained an impressive overall passing rate of 76.64%, reflecting the program's focus on producing competent and skilled elementary educators. Meanwhile, the BSED program achieved a commendable overall passing rate of 56.76%, further reinforcing the institution's dedication to nurturing capable secondary educators.

These outstanding achievements become even more significant when compared to the national passing rates. UCLM's BEED program surpassed the national passing rate, showcasing a remarkable score of 54.43%. Similarly, the BSED program excelled, surpassing the national passing rate with a score of 50.94%. These results not only highlight the exceptional performance of UCLM's topnotchers but also the effectiveness of the college's comprehensive and rigorous teacher education programs.

The triumph of these four topnotchers, coupled with the impressive overall performance of UCLM's College of Teacher Education, serves as a testament to the institution's unwavering commitment to producing highly competent and skilled teachers. Through the guidance of their dedicated faculty and their relentless pursuit of knowledge, these topnotchers have proven themselves as future leaders in the field of education.

As UCLM celebrates these remarkable achievements, the College of Teacher Education remains steadfast in its mission to provide a transformative educational experience, preparing its students to make a profound impact on the lives of countless learners.
